

Ryan Wobbrock, CRRA
Moody's Investors Service

Ryan Wobbrock is a Vice President – Senior Credit Officer in the Global Infrastructure Finance Group at Moody's Investors Service.

His responsibilities include assigning and maintaining credit ratings and conducting fundamental research on a portfolio of regulated electric, gas and water utilities, midstream companies and associated holding companies. As part of this effort, Ryan interacts with company management, fixed-income and equity investors, as well as regulatory staff, state commissioners and key utility customers.

Prior to joining the Utilities Group as a Senior Associate, in December 2004, Ryan worked at Moody's in the Public Finance Group and spent time in Investment Accounting at Ambac Financial Group.

Ryan is a Certified Rate of Return Analyst, graduated as an Honors Program Participant and holds a Bachelor's Degree with a double major in Finance and Accounting from Colorado State University.
