

We're excited to announce Dr. Roger A. Morin as the keynote speaker at SURFA's 57th Financial Forum.

With more than 45 years of experience in utility finance, Dr. Morin is a leading scholar, author, and expert witness whose work has shaped utility regulation across North America. He is the author of *Modern Regulatory Finance* and has provided expert testimony on cost of capital in more than 220 rate cases before regulatory bodies throughout the United States and Canada.

Dr. Morin's career spans academia, consulting, and executive education, with a particular focus on utility finance, capital allocation, and alternative regulatory frameworks. His perspective bridges theory and practice, offering invaluable insight into the financial and regulatory challenges facing the industry today.

We look forward to welcoming him. For more information and to register for the Forum, please visit surfa.memberclicks.net/.
