Dear SURFA Members and Friends,

President Trump has declared a National Emergency due to the Coronavirus Pandemic. The Center for Disease Control has requested all meetings and conferences involving fifty members or more, scheduled within the next eight weeks, be cancelled. Consequently, SURFA's 52<sup>nd</sup> Financial Forum and related events scheduled for April 22-24, 2020, are canceled. All Forum registration fees will be 100 percent refunded. If you have not yet been contacted concerning your Forum registration, please contact Pauline Ahern at [pahern@scottmadden.com](mailto:pahern@scottmadden.com) or at 856-577-8623 for the status of your refund. The SURFA Board of Directors will be evaluating options regarding the 2020 Forum and will keep our members and friends apprised of all decisions. Thank you for your interest in SURFA and stay well!

Very truly yours,

Mark Cicchetti, CRRA  
President
